DIRECTOR

EDWARD DUNBAR RICH SERVICE AWARDS

Each year the Michigan Department of Environment, Great Lakes, and Energy (EGLE), in cooperation with the Michigan Section of the American Water Works Association (MI-AWWA), presents the Edward Dunbar Rich Service Awards during the MI-AWWA Annual Conference.

The prerequisite for eligibility is 25 years of meritorious and faithful service in the waterworks industry in Michigan in any capacity, whether it is a plant operator, meter reader, billing clerk, etc., regardless of a full- or part-time basis. The 25 years do not have to be consecutive, nor does the time have to be spent in the service of only one municipality. The important thing is that the employee was, in some capacity, with a water department and that the cumulative period totals 25 or more years.

If you or any of your employees meet the above qualifications and have not previously received this service award, please fill out an application form located at Michigan.gov/CommunityWater. Under the "Information" section of the Community Water Supply page is a PDF of this letter, and the application form is located on page two. If you do not have internet access, please call 517-284-5424 to request an application form via U.S. Mail. A separate application must be completed for each eligible candidate and be certified by a responsible local official. **Do not submit an application for an employee who has received the service award in the past, as only one award is presented to an individual.**

Completed applications should be mailed to EGLE, Drinking Water and Environmental Health Division, Community Water Supply Section, Technical Support Unit, P.O. Box 30817, Lansing, Michigan 48909-8311. Applications must be received by **July 15th of each year** to be considered for that year's award. Applications received after this date will be considered for the following award year.

Awards will be presented at the MI-AWWA Annual Conference. Information pertaining to the Annual Conference along with registration and hotel details will be posted on the MI-AWWA website at <http://www.mi-water.org>. Award recipients not able to attend the Awards Luncheon will have their awards mailed to them following the conference.

If you should have any questions, please call 517- 284-5424.

**APPLICATION FOR THE
EDWARD DUNBAR RICH SERVICE AWARD**

Qualified applicants must have 25 or more years of meritorious and faithful service in the Public Water Supply Field in Michigan. Completion of this form is voluntary.
