Policy Issuance (PI): 18-14, Change 1

Date: September 8, 2020

To: Michigan Works! Agency (MWA) Directors

From: Krista Johnson, Division Administrator **SIGNED**
Talent Development Division
Workforce Development

Subject: Talent Tours

Programs

Affected: All Workforce Innovation and Opportunity Act (WIOA) Youth Programs funded through the Michigan Department of Labor and Economic Opportunity-Workforce Development (LEO-WD)

References: The WIOA of 2014, Public Law 113-128

The WIOA Final Regulations as Published in the Federal Register on August 19, 2016

Rescissions: PI 18-14, issued April 16, 2018

Background: The WIOA, which supersedes the Workforce Investment Act of 1998, presents an extraordinary opportunity to improve job and career options for our nation's workers and job seekers through an integrated, job-driven public workforce system that links diverse talent to businesses. The WIOA supports the development of strong, vibrant regional economies where businesses thrive, and where people want to live and work. This revitalized workforce system will be characterized by three critical hallmarks of excellence:

- 1) The needs of businesses and workers drive workforce solutions.
- 2) One-Stop centers provide excellent customer service to workers, job seekers and employers, and focus on continuous improvement.
- 3) The workforce system supports strong regional economies and plays an active role in community, economic, and workforce development.

Per WIOA Section 129(c)(1)(C)(v), local WIOA Youth program design must include effective connections to employers, including small employers, in in-demand industry sectors and occupations of the local and regional labor market. In alignment with this requirement, this policy sets forth further guidance regarding implementation and requirements of Talent Tours.

Policy:

Talent Tours introduce young adults, parents, and educators to available career paths in their region by offering a behind-the-scenes look into in-demand businesses and industries. Talent Tours provide real-time information regarding employer, education, and training requirements necessary to secure employment. Impacts include relationship building, establishing a talent pipeline, talent retention, and the opportunity to see real life application of coursework.

Criteria

1. Local in-demand industries are targeted. These industries will be identified by the MWA, or by region for regional tours.
2. Tours are traditionally required to be conducted **on-site** at the employer's business, or at a simulated workplace, where the employer preferably provides a hands-on experience. In the event that the on-site requirement threatens the health and safety of participants, the on-site requirement may be waived and replaced with a virtual tour. Virtual tours must be interactive (i.e. not prerecorded).
3. An overview of the industry and key positions in-demand are to be provided.
4. The educational requirements for key positions in-demand (certificate, apprenticeship, two- or four-year degree, etc.) are to be provided.
5. The tour is to highlight "an average day on the job."
6. Potential should exist for job shadowing, internships, and/or other work experiences with participating employers.

Talent Tour attendees should be introduced to Career Pathfinder for access to additional occupational information. The [Michigan Education and Career Pathfinder tool](#) provides information to students, their parents, and guidance staff to make informed choices about education and career options, as well as help with creation of educational development plans. This free tool uses current labor market information, longitudinal wage data, and other institutional data and metrics, allowing improved skills-matching to career paths and jobs. Printed materials may be requested by calling 517-335-5858.

Partner Roles

1. The MWAs: Facilitate relationship building between educational partners and/or participants and businesses.
2. Businesses: Define roles, skills, and training expectations via short presentations and hands-on experiences.

3. Educational Partners: Arrange transportation, monitor student safety and behavior, and encourage engagement and open communication.

Post-secondary partners often participate to provide information about the availability of corresponding education and training programs.

The MWAs are encouraged to identify additional partners as appropriate, including the WIOA Title IV contacts and participants. The WIOA Youth funding may only be used to provide services to WIOA-eligible youth. Blending and braiding of additional funding sources, such as Foster Care Summer Youth Employment Program or Jobs for Michigan's Graduates funding, where appropriate, is encouraged. WD does not authorize the use of WIOA Youth funding for non-registered or non-eligible individuals.

Please Note: Talent Tours differ from traditional, large scale job fairs and career expos due to the requirements listed above, specifically the requirement to conduct the tour on-site at the employer's business if safe to do so. Talent Tours are intended to immerse attendees in the environment and culture of the industry. WD encourages the submission of job fair and career expo information as well, but requests that this information be separated from Talent Tours reporting.

Reporting

If a Talent Tour is held, a report detailing the event should be submitted to WD. Reports will be recorded, shared with LEO leadership, and with the Governor's Office, as appropriate.

Submissions must include, at a minimum:

1. Industry selected and why the Talent Tour occupation/industry was selected (demand, careers, labor market information, etc.).
2. Description of the Talent Tour, including:
 - a. Number of youth participating.
 - b. Number of employers participating.
 - c. Name of each participating employer.
 - d. Location.
 - e. Activities, including which components were hands-on*.
3. Description of other partners participating.
4. Use of Career Pathfinder.

*While hands-on activities are strongly encouraged, the inability to provide a hands-on experience due to liability, cost of shutting down operations, etc. should not exclude an employer as a Talent Tour partner. In the absence of a hands-on component, the activities observed should be noted instead.

- f. Discussion of educational requirements for featured occupations.
- g. Post-secondary partners involved, if any.

5. Outcomes and next steps.
6. Other items of value.
7. Pictures and appropriate release forms.

A reporting template may be found as Attachment A. Use of this template is not required. Multiple tours on the same day may use the same template but must separate tour information (i.e., X students visited Site 1).

See Attachment B for an example of a release form. This form may be expanded upon to meet the needs of the MWA or other partners.

One-Stop Management Information System Indicators

A field called “Talent Tour(s)” is located on the WIOA Registration screen. This field is located in the Special Initiative Indicator section and is mandatory to complete for Talent Tour participants. The Talent Tour(s) Indicator on the WIOA Registration screen mimics the Cluster Indicator giving the same industry options of Agriculture, Healthcare, Energy, Information Technology/Media, Manufacturing, and Other. Case Managers (CMs) are able to select more than one industry. If the CM has selected a Talent Tour and the record is saved, then an additional Talent Tour field will appear. This function allows CMs to enter up to three Talent Tours per registration.

Please Note: The Special Initiatives Talent Tours indicator does not solely factor an individual into performance measures.

Example of Registration Special Initiatives tab.

The WIOA status screen offers two fields related to Talent Tours. The “Credential Related to Talent Tour(s)” field is located in the “Credential Attainment” section. The “Credential Related to Talent Tour(s)” field is a required field if the participant has a Talent Tour selected on the registration screen and has attained a credential.

Example of “Credential Related to Talent Tour(s)” field on “Attainments” tab.

The screenshot shows the 'Attainments' tab selected. The 'Credential Attainment' section is active. The 'Credential Related to Talent Tour(s):' field is a dropdown menu with a blue arrow pointing to it. Other fields include 'Credential Attainment', 'Education Institution', 'Location', 'Credential Attained on', 'Entered By', 'Entered On', 'Attained Diploma, GED or Certificate', and 'Diploma, GED or Certificate Attained on'.

The second field related to Talent Tours is located on the status screen. This field is called “Employment Related to Talent Tour(s).” This field is located in the “Participation Exit” section. The “Employment Related to Talent Tour(s)” field is a required field if the participant has a Talent Tour selected on the registration screen and is employed at exit.

Example of “Employment Related to Talent Tour(s)” field on Employment Status tab.

The screenshot shows the 'Employment Status at Exit' tab selected. The 'Employment Related to Talent Tour(s):' field is a dropdown menu with a blue arrow pointing to it. Other fields include 'Employed at Exit', 'If yes, Employer Name', 'Employer Address', 'Employer City', 'Employer State', 'Employer Zip', 'Employer Contact Person', 'Employer Contact Phone', 'Contractor Name', 'Hours (per week)', 'Wage (per hour)', 'Fringe Benefits', 'ONET Code', 'Training Related Employment', 'Method used to Determine if Training Related', and 'Non-Traditional Employment'.

Action: Reports should be submitted to LEO-TSDIV@michigan.gov. Please copy your assigned WIOA State Coordinator on the email submission as well.

Inquiries: Questions regarding this policy should be directed to your WIOA State Coordinator.

This policy is available for downloading from the [WD's website](#).

WD is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. Please contact Ms. Paula Hengesbach by telephone at 517-241-3678 or by email at HengesbachP@michigan.gov for details.
