Subject: Calendar Year 2019 Reemployment Services and Eligibility Assessment (RESEA) Program

Programs Affected: Statewide RESEA Programs

Rescissions: None

References: Unemployment Insurance Program Letter (UIPL) 07-19, issued January 11, 2019

Background: The Unemployment Insurance Agency (UIA) is a required partner in the comprehensive, integrated workforce system. Individuals who have lost employment due to lack of suitable work and have earned sufficient wage credits may receive Unemployment Insurance (UI) benefits if they meet initial and continuing eligibility requirements. Since 2005, the United States Department of Labor (USDOL) and participating state UIAs have been addressing individual reemployment needs of UI claimants to prevent and detect improper UI payments. This program has replaced the Mandatory Profiling program. The UIA submitted a proposal, developed by the UIA and the Michigan Department of Labor and Economic Opportunity, Workforce Development (LEO-WD), to the USDOL to continue the RESEA program.

Policy: This policy change deobligates \$14,976 from Great Lakes Bay Michigan Works! and provides an additional \$14,976 to Region 7B.

All other provisions of PI 19-12, PI 19-12, Change 1, and PI 19-12, Change 2 not specifically altered by this policy change remain unchanged and in effect.

Action: Great Lakes Bay Michigan Works! and Region 7B must submit a revised Budget Information Summary to reflect this change in funding within five (5) calendar days of the issuance of this policy.

Inquiries: Questions regarding this policy should be directed to your Workforce Innovation Team State Coordinator.
