5 YEAR COUNTY PENAL FINE PER CAPITA RATES

Michigan Penal Fine per capita rates for the preceeding five years, as reported by the county treasurers in their annual report to the Library of Michigan. The Constitution of the State of Michigan requires violators of the State's Penal Fines Code to pay fines for their violations. A portion of those funds are then turned over to the County Treasurers who are required by law to distribute it to the Public Libraries in their county so that they may advance the education of the citizens that they serve.
