

# Criminal Convictions

With a focus on educator professional practices, Public Act 451 of 1976, also known as Michigan Compiled Laws (MCL) 380.1230, authorizes the fingerprinting of school employees for employment within Michigan K-12 schools and school districts, public and non-public. In addition, Public Act 451 of 1976, also known as [MCL 380.1535a](#) authorizes the Superintendent of Public Instruction to take action against Michigan educator certificates for convictions of [specifically enumerated or listed offenses](#).

- All school staff employed by a school or school district are required to undergo a criminal history records check conducted by the Michigan State Police and the Federal Bureau of Investigation.
- The criminal history records check will generate a fingerprint search response. The response will include arrest, arraignment, and conviction data for any crime, misdemeanor or felony.
- The law requires school employees to self-report to the employing school or school district and the Michigan Department of Education when arraignment has been conducted for crimes identified in Section 1535a of the Revised School Code, Michigan Compiled Laws 380.1535a. The reporting must be provided within three business days of arraignment. Disclosure forms are available below.
- If an employee is convicted of an offense enumerated Sex Offenders Registration Act, Public Act 295 of 1994, also known as Michigan Compiled Laws 28.722, which requires [registering as a sex offender](#), upon verification of the conviction, employment shall be terminated and employment (in any capacity) in a Michigan K-12 school, public or non – public is prohibited.
- If an employee is convicted of a felony other than a listed offense, the superintendent or chief school official and the governing board are required by law to agree, in writing, to employ or continue the employee’s employment. The same applies to offering employment to an individual with a felony conviction other than a [listed offense](#).
- If an employee is convicted of a misdemeanor offense, there is no mandated action.
