Intro

This chapter introduces Assessment Coordinators to the **WIDA Secure Portal** and its role in the administration of WIDA assessments, by answering the following questions:

- ▶ What is the WIDA Secure Portal and what are its functions?
- ▶ How do I get access to the WIDA Secure Portal?
- ▶ How do I find support documentation for the WIDA Secure Portal?

What is the WIDA Secure Portal and what are its functions?

The [WIDA Secure Portal](#) is the website used by assessment administrators to prepare for administration of the WIDA ACCESS for ELLs, WIDA Alternate ACCESS for ELLs, W-APT, and WIDA Screener assessments.

The WIDA Secure Portal allows you to:

- complete **required training** courses for the WIDA ACCESS for ELLs, WIDA Alternate ACCESS for ELLs, W-APT, and WIDA Screener administration and/or scoring
- download and print kindergarten W-APT **assessment materials**
- access **professional learning resources**
- access **Test Administration Manuals (TAMs)** and related materials
- verify **training** completion of district staff (for District English Learner [EL] Coordinators)

How do I get access to the WIDA Secure Portal?

Anyone administering any of the English Learner assessments must set up a WIDA Secure Portal account in order to log in to the portal.

If you need an account, your District EL Assessment Coordinator can create an account for you. If you are a new District EL Assessment Coordinator, you will need to be identified as the English Learner Assessment Coordinator for the district in the Educational Entity Master (EEM). Once you've been identified, you will need to send an email to mde-oeaa@michigan.gov to request that an account be set up for you.

The EEM can be updated by the Authorized District EEM User or the Nonpublic School Authorized EEM User (usually the student pupil accounting person). For more information about the EEM, refer to the **Educational Entity Master (EEM)** chapter of this guide.

If you are the District English Learner Assessment Coordinator and have not been entered in the EEM as such, email mde-oeaa@michigan.gov to request District Assessment Coordinator access to the WIDA Secure Portal.

How do I find help for using the WIDA Secure Portal?

Educators can find information once they're logged in about how to use the WIDA Secure Portal by selecting the Get Help button in the top left hand corner of the web page. The link will take users to the Get Help page (see Figure 1).
